TRADEMARK ASSIGNMENT

This **TRADEMARK ASSIGNMENT** (the "Assignment") is made effective as of the 17th day of August, 2010, (the "Effective Date") by and between Girish Navani, an individual with an address at 112 Turnpike Road, Suite 200, Westborough, Massachusetts 01581 ("Assignor"), and eClinicalWorks, LLC, a Massachusetts limited liability company with its principal business address at 112 Turnpike Road, Westborough, Massachusetts 01581 ("Assignee").

STATEMENT OF FACTS

Assignor is the owner of certain trademarks and registrations as set forth in Exhibit A attached hereto and incorporated herein (collectively, the "Marks").

Assignor wishes to transfer and assign to Assignee all of its right, title and interest in and to the Marks, and all applications and registrations relating to the Marks, along with all good will and the business pertaining thereto, and the parties wish to evidence this absolute transfer of rights by this instrument of assignment.

Assignor has inadvertently used several versions of his name in his applications to register some of the marks, as identified in Exhibit A.

ASSIGNMENT

In consideration of Ten Dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby irrevocably and unconditionally sells, assigns and transfers to Assignee, and Assignee hereby accepts, (i) Assignor's entire worldwide right, title and interest in and to the Marks, (ii) together with all the goodwill of the business associated therewith and symbolized thereby, (iii) any trademark registrations and trademark applications Assignor has filed in any foreign countries with respect to the Marks, along with any priorities, rights or registrations resulting therefrom; and (iv) any and all rights and causes of action to recover and retain past, present, or future damages, royalties, fees, profits, or other relief, including equitable or injunctive relief, arising from infringement of the Marks by a third party and to which Assignor is or would have been entitled had the Assignment not been made.

Assignor agrees, for itself and its successors, with said Assignee and its successors and assigns, but at Assignee's or their expense and charges, hereafter to execute all applications, amended specifications, deeds or other instruments, and to do all acts necessary or proper to secure the grant of registered trademarks and service marks in the United States and in all other countries to Assignee, in such form as shall be approved by the counsel of Assignee and to vest and confirm in Assignee its successors and assigns, the legal title to all such trademarks and service marks. Assignor further authorizes and grants a limited power of attorney to Assignee's intellectual property counsel, Charles L. Warner of Bryan Cave LLP, or his designee, to execute on Assignor's behalf any documents necessary to evidence the assignments granted herein for the United States or any other country without further notice to Assignor.

The undersigned represents and warrants that he has full requisite authority to execute this Assignment on behalf of Assignor and to obligate Assignor to its terms. The background recitals form a material part of this Assignment.

IN WITNESS WHEREOF, Assignor has executed this Assignment under seal on the date first above written.
